COVID-19 GUIDELINES

It's our desire as a church family to gather in corporate worship and to serve the Lord in a healthy environment. We encourage you to follow these guidelines.

If you have a fever or symptoms of COVID-19, or known exposure to a COVID-19 case in the prior 14 days, please do not enter the church.

We are operating at 50% capacity.

Pews are marked off to provide 6' distancing between each person excluding families seated together.

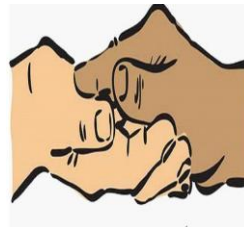

You are asked not to pass items to or between attendees who are not family members.

Sanitizing supplies are available at the entrance way and exit.

We are asking everyone in attendance to wear masks during the service, except those at the podium. You may wear your own mask or one will be available for your use.

We recommend that members age 65+ and those with health risks continue to participate in service from their home online or by phone.

There is one entrance into the sanctuary and one exit. The sanctuary is cleaned and sanitized regularly. Frequently touched surfaces are cleaned and sanitized before and after each service with a disinfectant spray according to guidelines.

Worship components are adapted to provide the healthiest environment we can offer. (i.e. Communion, Offering, dismissal, Prayer etc.)

Any items used to serve food or drink must be disposable and used only once.

THERMOMETER

If you are not feeling well, please do not enter the sanctuary. No-touch thermometers to take temperatures and deliver spray sanitizer are at the entrance and exit for your convenience.

GIVING

The giving station is at the entrance of the sanctuary. You may also continue to use your present methods (i.e. givelify, CashApp, PayPal or mail-in).

Please stay home if you have a fever or are symptomatic.

Changes to our worship schedule can happen at any time should the circumstances change.
